● CHEDRENE ROYAL BARONET is an outstanding red Polled Shorthorn bull calf. He has all the earmarks of a real sire prospect. He stands correctly on short sturdy legs and is deep and thick. His pedigree is a remarkable combination of the best bloodlines of the breed. His sire, bred at Lynnwood, is a good red son of Lynnwood Royal X by the great Perth Champion Royal Rothes. His dam is a daughter of Marellbar Randolph that was imported in dam from the great Calrossie herd and sired by that superb sire Kirkton Baronet. His grandsire is Calrossie Randolph. I don't believe there is another polled bull in this country that combines the bloodlines of Royal Rothes and Kirkton Baronet as does this calf. He offers Polled Shorthorn breeders an unparalleled opportunity to get a real calf with rich bloodlines.
